Cocoa Packs™
Fighting Childhood Hunger One ♥ at a Time

Cocoa Packs began in 2015 as an effort to provide weekend food assistance to children experiencing food insecurity. What we've realized, however, is that food is not the only barrier for children, it's just one of them. As Cocoa Packs has grown, the weekly Packs have become the gateway to a number of wraparound services offered to each child enrolled, addressing their overall wellness.

Mission

COCOA PACKS PROVIDES SUPPLEMENTAL FOOD & OTHER SUPPORT TO LOCAL CHILDREN IN NEED TO ENHANCE THEIR OVERALL WELLNESS.

Vision

A WORLD WHERE ALL CHILDREN HAVE WHAT THEY NEED TO SUCCEED.

Every child deserves the chance to reach their full potential. Once completed, the Cocoa Packs building will be a place of physical and emotional nourishment for the 1,300+ children we currently assist and the additional children we will be able to enroll. It will also be a place of opportunity for the thousands of volunteers and volunteer groups who faithfully serve our organization to engage in the success of their community.

WEEKLY FOOD PACKS.

The core of Cocoa Packs mission and gateway to all services, weekly Packs contain 27-30 items. We currently serve over 1,300 students in 18 school districts across several counties from seven different operating locations.

All children enrolled in the Cocoa Packs program become eligible to access the Cocoa Packs Clothing Closet, which provides clothing to meet the needs of our children and help them succeed.

Cocoa Packs Food Rescue focuses on the practice of rescuing fresh, edible food from food service partners in the area that will go directly into the hands of the children we assist.

Cocoa Packs Presents spreads holiday joy and provides a unique shopping experience for families of the children we assist. It is made entirely possible by the collective teamwork of our generous community and local businesses.

QUARTERLY EVENTS

On a quarterly basis, we provide interactive stations to promote overall wellness, teach skills and engage children in positive ways to learn.

ENHANCE OVERALL LEARNING

To enhance their overall learning and provide children the chance to experience something new, we offer a learning space which includes a lending library, computers, desks, printers, creative coloring stations, and homework help.

ADVOCACY & LOVE

Helping children wherever they are in life by championing for them in a variety of arenas so they can succeed in all areas of life.
